

IUPESM Fellowship

This year the union of IOMP and IFMBE - the International Union of Physical and Engineering Sciences in Medicine (IUPESM) celebrates 40 years since its establishment. To celebrate this occasion the Awards Committee of IUPESM developed and launched a new Fellowship scheme. Here below is the List with the elected inaugural Fellows - outstanding international leaders of medical physics and biomedical engineering.

IUPESM seeks to contribute to the advancement of physical and engineering sciences in medicine for the benefit and wellbeing of humanity.
